Product Guide

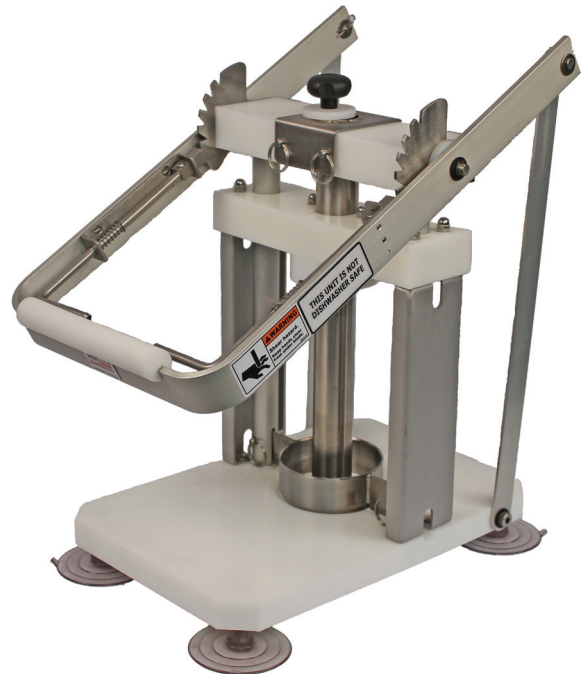

Pineapple Corer & Peeler

MODEL 6062HL PINEAPPLE CORER & PEELER

CUTLERY GRADE STAINLESS STEEL
BLADE

TWO HANDED LOCKING FEATURE

EASY TO USE AND CLEAN

EFFICIENT COMMERCIAL PINEAPPLE CORER BUILT TO LAST

FEATURES

- Cutlery Grade, Nick-Resistant Stainless Steel Blades, with Replacement Blade Available
- Locking Arm Feature, Requires Two Handed Operation
- Precise Cutting in a Single Fluid Motion
- Corrosion-Resistant Construction
- Easy to Clean and Portable
- NSF Listed Polyboard Base for Sanitary Work Space
- Tool-less Quick Pin Blade Disassembly
- Suction Cup Design for Solid Grip to Most Surfaces

REDUCE WORKPLACE ACCIDENTS

Specifically engineered and designed with a two-handed locking feature. Two hands must grasp and hold the lever arm in order to allow blade movement for cutting. Only one hand is needed to lift the arm, so the operator can grab the pineapple easily
